Vacant site. The chairman reports that the party visited the site No. 230 originally allotted to him and he handed over to him. He further states that the Board has no objection to allot him a site at the enhanced rate of Rs 9/- per Sqd. The petitioner requests that site No 292 in Block II selected by him may be allotted to him at the rate ~~originally~~ at which site No 230 was allotted to him during July 53 (for which payment has already been made). Since the party has paid the value of site allotted to him during 53 alone, it may not be correct to change him the enhanced rate of Rs 9/- per Sqd for the site to be allotted now. The request of the petitioner deserves consideration. As the Chairman BTS has reported that there is no mistake or deliberate injustice. As the Chairman has reported the matter could have been settled with little patience and adjustment on the part of the petitioner.

Sir,

Subject: Allotment of site No.230 in Block II of Jayanagar Extension -- Representation of Sri C.Venkataram.

With reference to your letter No.L.10133 dated 26th September 1956 on the above subject, I write to state that site No.230 in Block II of Jayanagar was first allotted to Sri C.Venkataram on 6-7-1953. He had not taken possession of the site. Government in their order No.L.14295-96/ITB.22-53-91 dated 4-2-54 reconveyed and allotted this site (No.230 in Block II) along with two other sites to the original land-owners Sri Chickamuniyanna and another (vide copy of the Government Order enclosed).

Since this latest Government Order had to be given effect to, possession of the site could not be given to Sri C.Venkataram, though he had paid the full value of the site, and executed the agreement and affidavit. Therefore the party was asked to apply for any of the available vacant sites; but the party repeatedly went on demanding possession of site No. 230 alone must be handed over to him.

On 16-1-1956 Sri C.Venkataram issued a lawyer's notice and a reply was sent to his Counsel to instruct the party to select any other available site. In the meanwhile the rates for sites in Jayanagar were increased to Rs.9/- per sq.yd. and the Board at its meeting held on 6th June 1956 resolved to stop allotment of sites in Jayanagar pending receipt of final decision of Government regarding the rate.

On 10-8-1956 the party petitioned to the Director of

(3)

of Efficiency Audit and that petition was forwarded to this office with his letter No.GL.2081/56-57 dated 13-8-1956 (copy enclosed). Further he continuously goes on petitioning and complaining against the Trust Board.

As the position stands at present, all allotments must be made at the current rates, for which Sri C.Venkataram is not prepared to pay. Legally, he has no claim but his case may be considered sympathetically when sites are disposed off.

Lastly, there is no mistake or deliberate injustice and Government Order reconveying the land to the original owners has resulted in such a situation, which with little patience and adjustment on the part of the petitioner could be set right.

Yours faithfully,

(B.V.Lankappa)
Chairman.

I herein enclose a copy of the detailed report regarding the above site which I have sent to some of the members of the City Improvement Trust Board, for your kind notice and needful action.

From the enclosed report I request you to note how the Trust Board is treating the public. It is only due to their carelessness and inefficiency that has landed me in trouble. I approached the Trust Board for possession of the site on 21-11-1955. Please note that they have not cared to acknowledge me my requisition letters even with all my personal interviews with the Chairman and his Personal Assistant innumerable times until now. In such situations how can the public depend on the Government and its orders.

I humbly request you to please enquire into the case and restore justice as early as possible. Awaiting to hear from you.

Petitions ending with the one dated 4th September 1953 from Sri Chikkamunianna of Kankanpalya, regarding the grant of site formed by the City Improvement Trust Board, Bangalore, out of his land in Survey No.13/5 of Kankanpalya Village.

2. Correspondence ending with letter No.A2.P.R.376/53-54 dated 9th December 1953 from the Chairman, City Improvement Trust Board, Bangalore, on the subject.

--;--

Order No.L.14295-96/ITB.22-53-91

Dated, Bangalore, the 4-2-54.

Sri Chikkamunianna represents that his land in Survey No.13/5 of Kankanpalya was acquired by the City Improvement Trust Board, Bangalore, inconnection with the formation of the Jayanagar Extension and that three sites have been formed out of the land acquired and allotted to others. As he has got no other land and as he is now living in his borther's house, he requests that the site formed by the Board out of his property may be allotted to him and conversion fine recovered in respect of the land.

2. The Chairman, City Improvement Trust Board, Bangalore, reports that the extent of land acquired from the party in survey No.13/5 of Kankanpalya is 59' x 90' or 590 sq. yds. that three sites of 55'x120' or 733 1/3 sq.yds., have been formed by the Board by utilising the area of the petitioner, that these three sites bearing Nos.228, 229, and 230 of Block II of the Jayanagar Extension have already been allotted of others and that as his brother Sri Muniappa has been allotted three sites Viz., 231,232, and 233 in Block II and as the petitioner and his brother Muniappa are members of a joint family, the request of the petitioner may be rejected.

3. Having considered all aspects of the question, Government consider that though Sri Muniappa and Sri Chikkamunianna are members of joint family, each will have separate commitments and that it is therefore necessary to allow the petitioner to retain the three sites Viz., 228, 229, and 230 formed out of his property. These three sites may therefore be allotted to him subject to the payment of layout charges at Rs.3-8-0 per sq.yard and other charges like conversion fine etc., as in the case of Sri C.J.Devanath and Bros., in Government Order No.L.5997-600/ITB.22-53-48 dated 21st August 1953 and as in the case of Sri Muniappa in Government Order No.L.13058-59/ITB.22-53-86 dated 7th January 1954, subject to the other conditions specified therein.

Respected Sir,

EDUCATION & L.S.G. SECRETARY 18 AUG 1956 GOVERNMENT OF MYSORE

Subject: Allotment of Site No.230, II Block, Jayanagar Extension

---

I beg to bring the following for your kind consideration and favourable orders.

On 8th July 1953 I was allotted the above site under Trust Board letter No.H-1-Pa-266-28/53-54 and G.O.No.3847-48 ITB-5-53 dated 29-6-53. Before allotment, I had paid Rs.1,000/- along with my application. In the above letter it was stated that I should pay a balance of Rs.223/- within one month. I complied with this and paid the amount within the specified time.

By about 20th November 1954, I received letter No.APC.384/54-5 dated 16-11-54 asking me to execute an agreement and file an affidavit prior to transfer of possession of the site to me. At this time I was thinking of putting up a construction on my site. Therefore I complied with the terms of the Trust Board letter of 16-11-54 by executing the agreement and affidavit. This cost me Rs.15/-. This was done on 21-11-55. After this I waited for nearly one month for possession of the site. In the meantime I made arrangements for securing building materials.

Having waited for one month without any response from the Trust Board Office in the matter of giving possession of the site to me, I went to the Office and approached the Head Clerk. To my great astonishment and equally great disappointment, the Head Clerk told me that the site was given away to some one else. I immediately approached the Chairman of the Board. He promised to look into the matter and asked me to wait for 3 or 4 days. I waited but there was no communication to me. I again approached the Chairman and his Personal Assistant and I was given to understand that the site allotted to me under a Government Order and for which I had fully paid was given back to the land owner Sri Chikkamunianna under another Government Order issued in the month of March 1954. Subsequently I had several interviews with the Chairman of the Trust Board and His Personal Assistant, but nothing tangible came out of my efforts except that I was put to great physical and mental strain.

On 28-2-1956 the Personal Assistant suggested that I can have another site bearing No.292 in the II block. I inspected this site and although this site lacked the advantages of the site originally allotted to me (No.230), I wanted to come to a settlement and therefore gave my consent on 29-2-56 to accept this site (No.292) in lieu of site No.230. The Personal Assistant told me that the matter would be placed before the Trust Board and its decision communicated to me. As I did not receive any communication I contacted the Personal Assistant by telephone on 8-3-56 and again on 17-3-56, but I did not get any satisfactory reply. On 24-3-56 I personally went and saw both the Chairman and his Personal Assistant. To my further surprise and disappointment, the Chairman told me that I should pay at Rs.9/- per Sq. Yd.

(10)

for the alternative site that was offered to me. This was too much for me to accept and I therefore requested the Chairman to place the matter before the Board and grant me the site at the old rates. He promised to do so and write to me in the matter. I did not receive any communication. I therefore wrote a letter on 7-7-1956 but so far I have not received any reply.

From the foregoing you will kindly see that great injustice has been done to me. The Trust Board have disposed of the site allotted to me without even informing me about it. They have also not brought to the notice of the Government that site No.230 which they proposed to give to Sri Chikkamunianna had already been allotted to me. They have not cared to do me justice by alloting me the alternative site which I have accepted.

I therefore pray that you may kindly take pity on me and order the immediate allotment of the alternative site No.292 to me at the same rate at which the original site was allotted to me.

Thanking you,

Yours faithfully,
